

## **S. N. S. Narayan Nagar Degree College Didihat Pithoragarh**

### **Institutional distinctive to its vision, priority**

#### **In practices**

- *Clean and Green campus*

Solar Inverter: The institution has a solar inverter at the administrative block of the college, which provides clean energy and makes the institution more eco-friendly.

- *Rainwater harvesting*

Rainwater harvesting systems, such as tanks for water storage, are used by students for washrooms and plantations.

- *Female students admission*

Higher female literacy rates reduce child mortality. Girls' education reduces inequality in society. Education empowers marginalised women and helps them build better futures for themselves and their families.
